REGISTRAR-RECORDER/COUNTY CLERK PROVIDES ELECTION NIGHT LIVE VIDEO STREAM ON WEBSITE

In continuing our mission of conducting fair, accessible and transparent elections, Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean Logan announced access to election night live video streaming for today's Special State Senate District Elections. Beginning at 8 p.m., the video stream will be available via the RR/CC website www.lavote.net.

The video stream will give voters live access to five different critical election night operations. Voters will be able to observe the ballot receiving area, where the ballots are scanned to account for their arrival at RR/CC Headquarters; the ballot inspection area where RR/CC staff inspects and prepares the ballots prior to being tallied; the snag boards in the ballot inspection area where ballot issues are resolved; the security envelope de-processing area; and finally the ballot tally area where the ballots are read and tabulated prior to producing election results.

Ballot tabulation for today's elections will begin at 8 p.m. Updated semi-official election results may be accessed through the RR/CC website www.lavote.net. Results will be updated until a semi-official election night tally showing 100% of the precincts reporting are posted.
