### \* MEDIA ADVISORY \*

#### JUNE 3, 2008 STATEWIDE PRIMARY ELECTION HOURLY VOTER TURNOUT SAMPLING - UPDATE

Acting Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean Logan announced a preliminary hourly voting sample turnout of 17.72% for the June 3, 2008 Statewide Primary from Los Angeles County polling locations as of 5:00 p.m.

A comparative sample turnout for the February 5, Presidential Primary Election showed 38.32% for the same time period. Samplings from previous year State Primaries for the time period ranged from 18.64% in 2002 to 22.37% in 2006.

The RR/CC conducts the hourly sampling of 30 precincts out of 4,383 for use as an unofficial indication of voting activity. Turnout in certain districts or areas of the County can fluctuate, so caution is encouraged in using these figures as a statistical prediction of voter turnout.

Voters can access the RR/CC website [www.lavote.net](http://www.lavote.net) to look up their voting location, view the full sample ballot for their precinct and view voting instructions for the June 3, 2008 Statewide Direct Primary Election. Voters may also obtain information about their voting location by calling the RR/CC's office at 1-800-815-2666 and using the Interactive Voice Response (IVR) telephone system.
