

DEAN C. LOGAN
Registrar-Recorder/County Clerk

PRESS RELEASE

FOR IMMEDIATE RELEASE

November 2, 2010

REGISTRAR-RECORDER/COUNTY CLERK LAUNCHES ELECTION NIGHT LIVE VIDEO STREAM ON WEBSITE

In continuing our mission of conducting fair, accessible and transparent elections, Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean Logan today announced the official launch of the RR/CC election night live video stream. Beginning at 8 p.m., the video stream will be available via the RR/CC website www.lavote.net.

The video stream will give voters live access to five different critical election night operations. Voters will be able to observe the ballot receiving area, where the ballots are scanned to account for their arrival at RR/CC Headquarters; the ballot inspection area where RR/CC staff inspects and prepares the ballots prior to being tallied; the snag boards in the ballot inspection area where ballot issues are resolved; the security envelope de-processing area; and finally the ballot tally area where the ballots are read and tabulated prior to producing election results.

“The implementation of the video stream is another demonstration of the Registrar-Recorder/County Clerk’s commitment to provide voters greater accessibility to and transparency of the election process.”

Information about other RR/CC services and locations can be obtained online at www.lavote.net.
