Outstanding Vote by Mail ballots will be processed, qualified, and tallied during the Canvass period. The preliminary count of unprocessed ballots will be updated within the next 48 hours to include precinct ballots not included in the semi-official tally and ballots with votes for write-in candidates.

“Election night is, in many respects, just the beginning of the election certification process,” said Los Angeles County Registrar-Recorder/County Clerk Dean Logan. The 28-day Election Canvass is the period required by law to conduct a full accounting and tabulation of all ballots cast in the election.

“The Official Election Canvass ensures that the vote of every registered voter whether cast by regular ballot, provisional ballot, or by mail is counted and included in the final returns.”
