### \* MEDIA ADVISORY \*

#### NOVEMBER 4, 2008 PRESIDENTIAL GENERAL ELECTION HOURLY VOTER TURNOUT SAMPLING - UPDATE

Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean Logan announced a preliminary hourly voting sample turnout of 77.65% for the November 4, 2008 Presidential General Election from Los Angeles County polling locations as of 7:00 p.m.

A comparative sample turnout for the 2004 Presidential General Election showed 73.45% for the same time period. Samplings from previous year General Elections for the time period ranged from 41.08% in 2002 to 62.91% in 2000.

The RR/CC conducts the hourly sampling of 30 precincts out of 4,394 for use as an unofficial indication of voting activity. Turnout in certain districts or areas of the County can fluctuate, so caution is encouraged in using these figures as a statistical prediction of voter turnout.

Voters can access the RR/CC website [www.lavote.net](http://www.lavote.net) to look up their voting location, view the full sample ballot for their precinct and view voting instructions for the November 4, 2008 Presidential General Election. As of 5:12 PM this evening, inquires on lavote.net continue to be active with the Polling Place locator receiving 230,442 visitors and 56,388 voters checking their registration status. Voters may also obtain information about their voting location by calling the RR/CC's office at 1-800-815-2666 and using the Interactive Voice Response (IVR) telephone system.

Persons requiring multilingual assistance in Chinese, Japanese, Korean, Spanish, Tagalog/Filipino, or Vietnamese, regarding information in the press release, can call (800) 481-8683.
