

ELECTION TRAINING CLASS SCHEDULE

INSPECTORS Only

June 3, 2014

Statewide Direct Primary Election

Los Angeles County REGISTRAR-RECORDER/COUNTY CLERK

Los Angeles County Registrar-Recorder/County Clerk

Dean C. Logan
Registrar-Recorder/County Clerk

Dear Pollworker:

The Los Angeles County Registrar-Recorder/County Clerk would like to thank you for your participation in volunteering as a Pollworker for the June 3, 2014 Statewide Direct Primary Election. Your involvement greatly contributes to conducting successful elections for the citizens of Los Angeles County.

This booklet contains the schedule of Inspector training classes for the June 3, 2014 Statewide Direct Primary Election. The classes listed are for **INSPECTORS only**. Clerks will be mailed a separate schedule that lists locations and times for Clerk classes.

To assist you in selecting the most convenient class for you to attend, the schedule is arranged by:

- The dates the classes will be held throughout the County.
- Alphabetical order of cities and communities (refer to alphabetical listing beginning on page 4).

Please note that **reservations for training classes are not required.**

Remember, attending Pollworker training is mandatory. California Elections Code Section 12309 requires that all Precinct Inspectors attend a training class; therefore, in order to serve as an Inspector you **must** attend an Inspector class. Inspectors who attend a Clerk class will not receive credit for attending training and will **NOT** be able to serve as an Inspector on Election Day. In addition, in order to receive your \$25 class compensation, you **must** complete the Inspector Online Training Course and Assessment aside from attending the in-class training (*refer to your appointment letter for further details regarding online training*).

Please remember to bring your attendance slip when attending training and turn it in at the end of the class so that you may receive credit for attending. Your attendance slip is located at the bottom of your Appointment Letter. Any questions regarding your appointment should be directed to the Polls Section (*refer to the phone number on your Appointment Letter*).

In an effort to accommodate Pollworkers, we try to schedule trainings throughout Los Angeles County; therefore, we hope you find a convenient location to attend. Once again, we thank you for your dedication and we look forward to seeing you in training class.

Sincerely,
Elizabeth Bejarano
Election Training Manager

SUMMARY OF DUTIES

ABOUT THE CLASSES

Classes for Inspectors are 2 ½ hours long

You will receive 2 training manuals in class:

- 1- ***Election Guide and Checklist***: This guide will show you step by step how to set up the polling place, assist voters, and close the Polls.
- 2- ***What To Do If...***: This booklet gives solutions to issues that may arise on Election Day.

Instructors will review materials and, as time allows, answer questions. You will also have the opportunity to view and operate the Precinct Ballot Reader and Audio Ballot Booth and see how easy they are to use.

ABOUT YOUR DUTIES

The following is just a short overview of duties. (The Election Guide and Checklist gives detailed instructions).

As an Inspector, you are responsible for picking up supplies, contacting Clerks, assigning duties, opening the polls, assuring that voters are assisted, closing the polls, packing supplies, and taking the supplies to your assigned Check-in Center. You along with the Clerks will rotate jobs in one of the 4 clerk positions:

- ***Roster Clerk Position***: where voters will sign Roster.
- ***Street Index Clerk Position***: where you line out the address of voters as they sign in.
- ***Ballot Clerk Position***: where you give voters a ballot and demonstrate to voters how to vote using the InkaVote voting device.
- ***Ballot Box Clerk Position***: where you assure that the voter places voted ballots into the Precinct Ballot Reader and assist voters using the Audio Ballot Booth.

In addition there are ***Provisional Voter Processing Procedures*** where you assist voters who need to vote using the Provisional Envelope.

If you still have questions after you have attended a class and reviewed the materials, you may contact us as indicated on the back page of this schedule.
